## COVERAGE DECLARATION

I accept liability on behalf, of, all responsible parties for all charges under the terms of this agreement for the full period of rental up to and after return of the rental vehicle, including unpaid parking, speeding or other statutory fines, administration fees, delayed or amended charges and any damages costs.

" POLAR BEAR" Piotr Rozycki kt: 2408752339 is authorized to take possession of the vehicle at its discretion and without notice if the renter has any outstanding debts to the lessor.

I have examined the condition of the rented vehicle prior to my departure and agree that all vehicle damages are in compliance With the Rental Vehicle Condition Report attached to this rental Agreement.

Early return: In case of early return of the rented vehicle no refund is available.

I accept that 2 wheel drive vehicles are not allowed on roads marked with an F on public road maps and on the Kjól (nr. 35) Kaldadal (nr. 550) roads, as well as on the road to Landmannalaugar (nr.208). Vehicles suitable for highland are listed in Polar Bear Iceland fleet manual at any given time. (A breach of Article nr 10 in the Terms and Conditions of this rental agreement authorizes Polar Bear to collect a fee of 150000 from the Renter).

I have read and agree to the Terms and conditions on both sides of this Rental Agreement, and furthermore I've taken special note to articles that address insurance Renters liability and circumstances where damage is not covered by insurance.

Signature: \_\_\_\_\_

### Special note

I'm aware that.

.No insurance, waiver or Protection cover damages caused by off road driving.

No insurance, waiver or Protection cover damages caused by driving in water /river

.No insurance, waiver or Protection cover damages caused to tires and underbody/chassis of the vehicle

The purchase of CDW, SCDW and TP can reduce the excess liability in case of damages or theft of the vehicle.

.The purchase of SAAP and WSP can reduce the excess liability In case of damage caused by ash/sandstorm and damages to the front windshield .

It is not allowed to climb on to the roof as It can easily damage the roof and is very expensive.
